

# ACKNOWLEDGEMENT OF GOVERNANCE

On behalf of COMERA Risk, I am pleased to formally acknowledge the commencement of our partnership with **ROCKY ROAD Resilience Ltd** as a delivery partner for the SAFH<sup>+</sup>EE<sup>®</sup> courses.

**ROCKY ROAD Resilience Ltd** is now a proud delivery partner of the renowned Security Awareness in Fragile/Hostile Events & Environments (SAFH<sup>+</sup>EE<sup>®</sup>) courses, a comprehensive approach to SAFE related training for those operating in volatile and fragile environments. As part of our commitment to excellence, **ROCKY ROAD Resilience Ltd** is dedicated to delivering these courses with the highest standard of professional governance, ensuring consistency and quality in every aspect of our offerings.

Developed by Comera Risk for the British Foreign Office, the **SAFE** and **SAFE+** course has been an indispensable training product designed to protect employees and their families overseas. Over the years, it has empowered thousands with the confidence and skills necessary to navigate complex environments safely. Joining the Comera Risk global network, **ROCKY ROAD Resilience Ltd** will leverage their expertise and facilities to meet the unique needs of their clientele while upholding the trademarked standards that set this course apart.

The inconsistency among training providers and the lack of universal benchmarks for course content have often resulted in inadequate preparation for those facing fragile and hostile environments. By standardising the narrative and distinguishing complex events and environments, the aim is to eliminate confusion and ensure individuals and organisations are equipped to manage and mitigate complex threats effectively.

The Delivery Partnership reaffirms a commitment to supporting individuals and organisations as a 'force for good' worldwide, ensuring a combined approach to prepared to make a positive impact safely and effectively. Together, we are committed to advancing safety and security training with unparalleled professionalism and a steadfast dedication to quality.

Yours faithfully
