Dear **ROCKY ROAD RESILIENCE LTD**,

RE: Acknowledgement - Partnership and Commitment for the Delivery of SAFHEE®

On behalf of COMERA Risk, I am pleased to formally acknowledge the commencement of our partnership with **ROCKY ROAD RESILIENCE** as a delivery partner for the SAFHEE® courses. We are excited to have your esteemed organisation collaborate with us, and we are confident that this journey will lead to meaningful and impactful educational experiences for all concerned including future participants.

ROCKY ROAD RESILIENCE has been selected for this pivotal role due to your demonstrated commitment to high standards, integrity, and the proficient governance your team consistently exhibits. We are particularly impressed by your unwavering dedication to maintaining a superior quality of service - a principle that aligns perfectly with the core values of the SAFHEE® courses.

The SAFHEE® courses, including the historic Comera Risk legacy SAFE course, have a long-standing reputation for equipping participants with the essential competencies needed to succeed in today's challenging environments. The original SAFE courses were established with the mission to enhance safety awareness and risk management skills, and they have evolved through years of careful development and dedication to excellence. We are assured that **ROCKY ROAD RESILIENCE** will continue to uphold and enhance this legacy through your delivery.

In this partnership, we expect nothing less than a harmonious blend of innovation and tradition, with a focus on delivering content that is both academically rigorous and practically applicable. **ROCKY ROAD RESILIENCE'S** expertise and strategic approach will undoubtedly result in the effective dissemination of knowledge, sustained learner engagement, and the successful realisation of educational outcomes that reflect the high standards associated with the SAFHEE® brand.

As we embark on this exciting new chapter together, I would like to reiterate our full support and collaboration. Please feel free to reach out at any time should you have any questions, need assistance, or require further information. We are here to support **ROCKY ROAD RESILIENCE** in every step of this promising endeavour.

Thank you for choosing to partner with us and for your commitment to delivering excellence through a professional level of governance. Together, we will make a significant impact.

Yours faithfully
